

Creating and maintaining student psychological safety in simulation-based education is essential learning for all facilitators and simulated participants.

Educators from Dalhousie Faculty of Health, Faculty of Medicine, and the Centre for Collaborative Clinical Learning & Research (C3LR) are very excited to offer this **free** asynchronous Brightspace online course to the simulation community.

CPDME Accredited Course

How to Create & Maintain Student Psychological Safety in Simulation-based Education: Essential Learning for Facilitators and Simulated Participants

Registration Directions

Registrants with a Dalhousie NetID:

1. Open up Brightspace.
2. Click on the drop-down menu next to 'Academic Support' on the top left-hand side of the page.
3. Select 'Self Registration' from the drop-down menu items.
4. Scroll down using the bar on the right until you find the course.
5. Once you find your course, click on Register and then submit.

Registrants without Dalhousie NetID:

1. Contact safesim@dal.ca
2. You will receive a guest pass.
3. Once you have your guest pass sign in to dal.brightspace.com and follow the directions listed above.
